VERSE 1

It's been around since before your mommas due
Now the sound is more than just a golden view
It's in your church and where you pray
It's all through the day.

Watching how, all the actors on tv
Play it out, like it's real just for me
They say when to rock and when to roll
It's all in the show

CHORUS 1

It's all that we need; it's all in the motion, the ocean.
I know what you want; I see it in your eyes
I know what it is
Flowers and Lies

VERSE 2

See it now, it's got a way to make you see
Believe in how and that's the way it's gonna be
The Law is in words you can't spell
They can send you to Hell.

So understand what it is and what they say
It's in demand; it's from the man so it's ok
You'll do what you're told to do
It's not up to you

CHORUS 2

It's all that we know, you see that it's over, so over.
It ain't news to me, it's written in the sky.
So you want to believe,
Flowers and Lies.

BRIDGE

ABC, NBC, SBS, CNN BBC don't you see
They want you to believe.

VERSE 3

Watching how, all the actors on the street
They play it out, to be just like Steve McQueen
They say when to lock, when to load.
Pretty maids in a row.

CHORUS 3

It's all that we need; it's all in the motion, the ocean.
I know what it is; I see it in your eyes
It's all that we know, you see that it's over, so over.
It ain't news to me, it's written in the sky.
So don't you believe,
Flowers and Lies.
